

[Comment on this Record](#)**Bloomington, Indiana University, Bloomington, Lilly Library at Indiana University, Adomeit 48**

Description: One leaf - Not bound. - Apparently Otto F. Ege (1888-1951); Ruth E. Adomeit (1910-1996), bequeathed by her to the Lilly Library. - De la Mare and Nuvoloni 2009, p. 276, no. 79a.

Notes: -The present leaf is from a manuscript made in Rome in the early 1480s, probably while Sanvito was still working for Cardinal Gonzaga, who might have been its first owner. It was evidently one of the manuscripts broken up by Otto Ege, who gave two leaves to the calligrapher James Hayes in 1948-49. Ege's source for it is not yet known, except that he assumed it was French. Twenty other leaves from the manuscript in eight collections are listed by de la Mare and Nuvoloni, p. 276, including leaves in the University of Colorado in Boulder, the School of Theology Library at Boston University, and Sweet Briar College in Virginia.
